

ASGAARD German Guards Services Limited

COMPANY PROFILE

Who we are 1

ASGAARD German Guards Services Limited is a Nigerian – German private security company (PSC).

Origin of ASGAARD GSG GmbH, Germany, with Nigerian-German management with years of operational experience in High Risk areas like Iraq, Libya and Somalia, our focus is on security operations in Western Africa.

Our commitment is to provide the same high quality security services to our Nigerian customers.

Founded in 2018, ASGAARD Nigeria is the first and only Nigerian-German PSC granted a security licence in Nigeria.

Who we are 2

Our values:

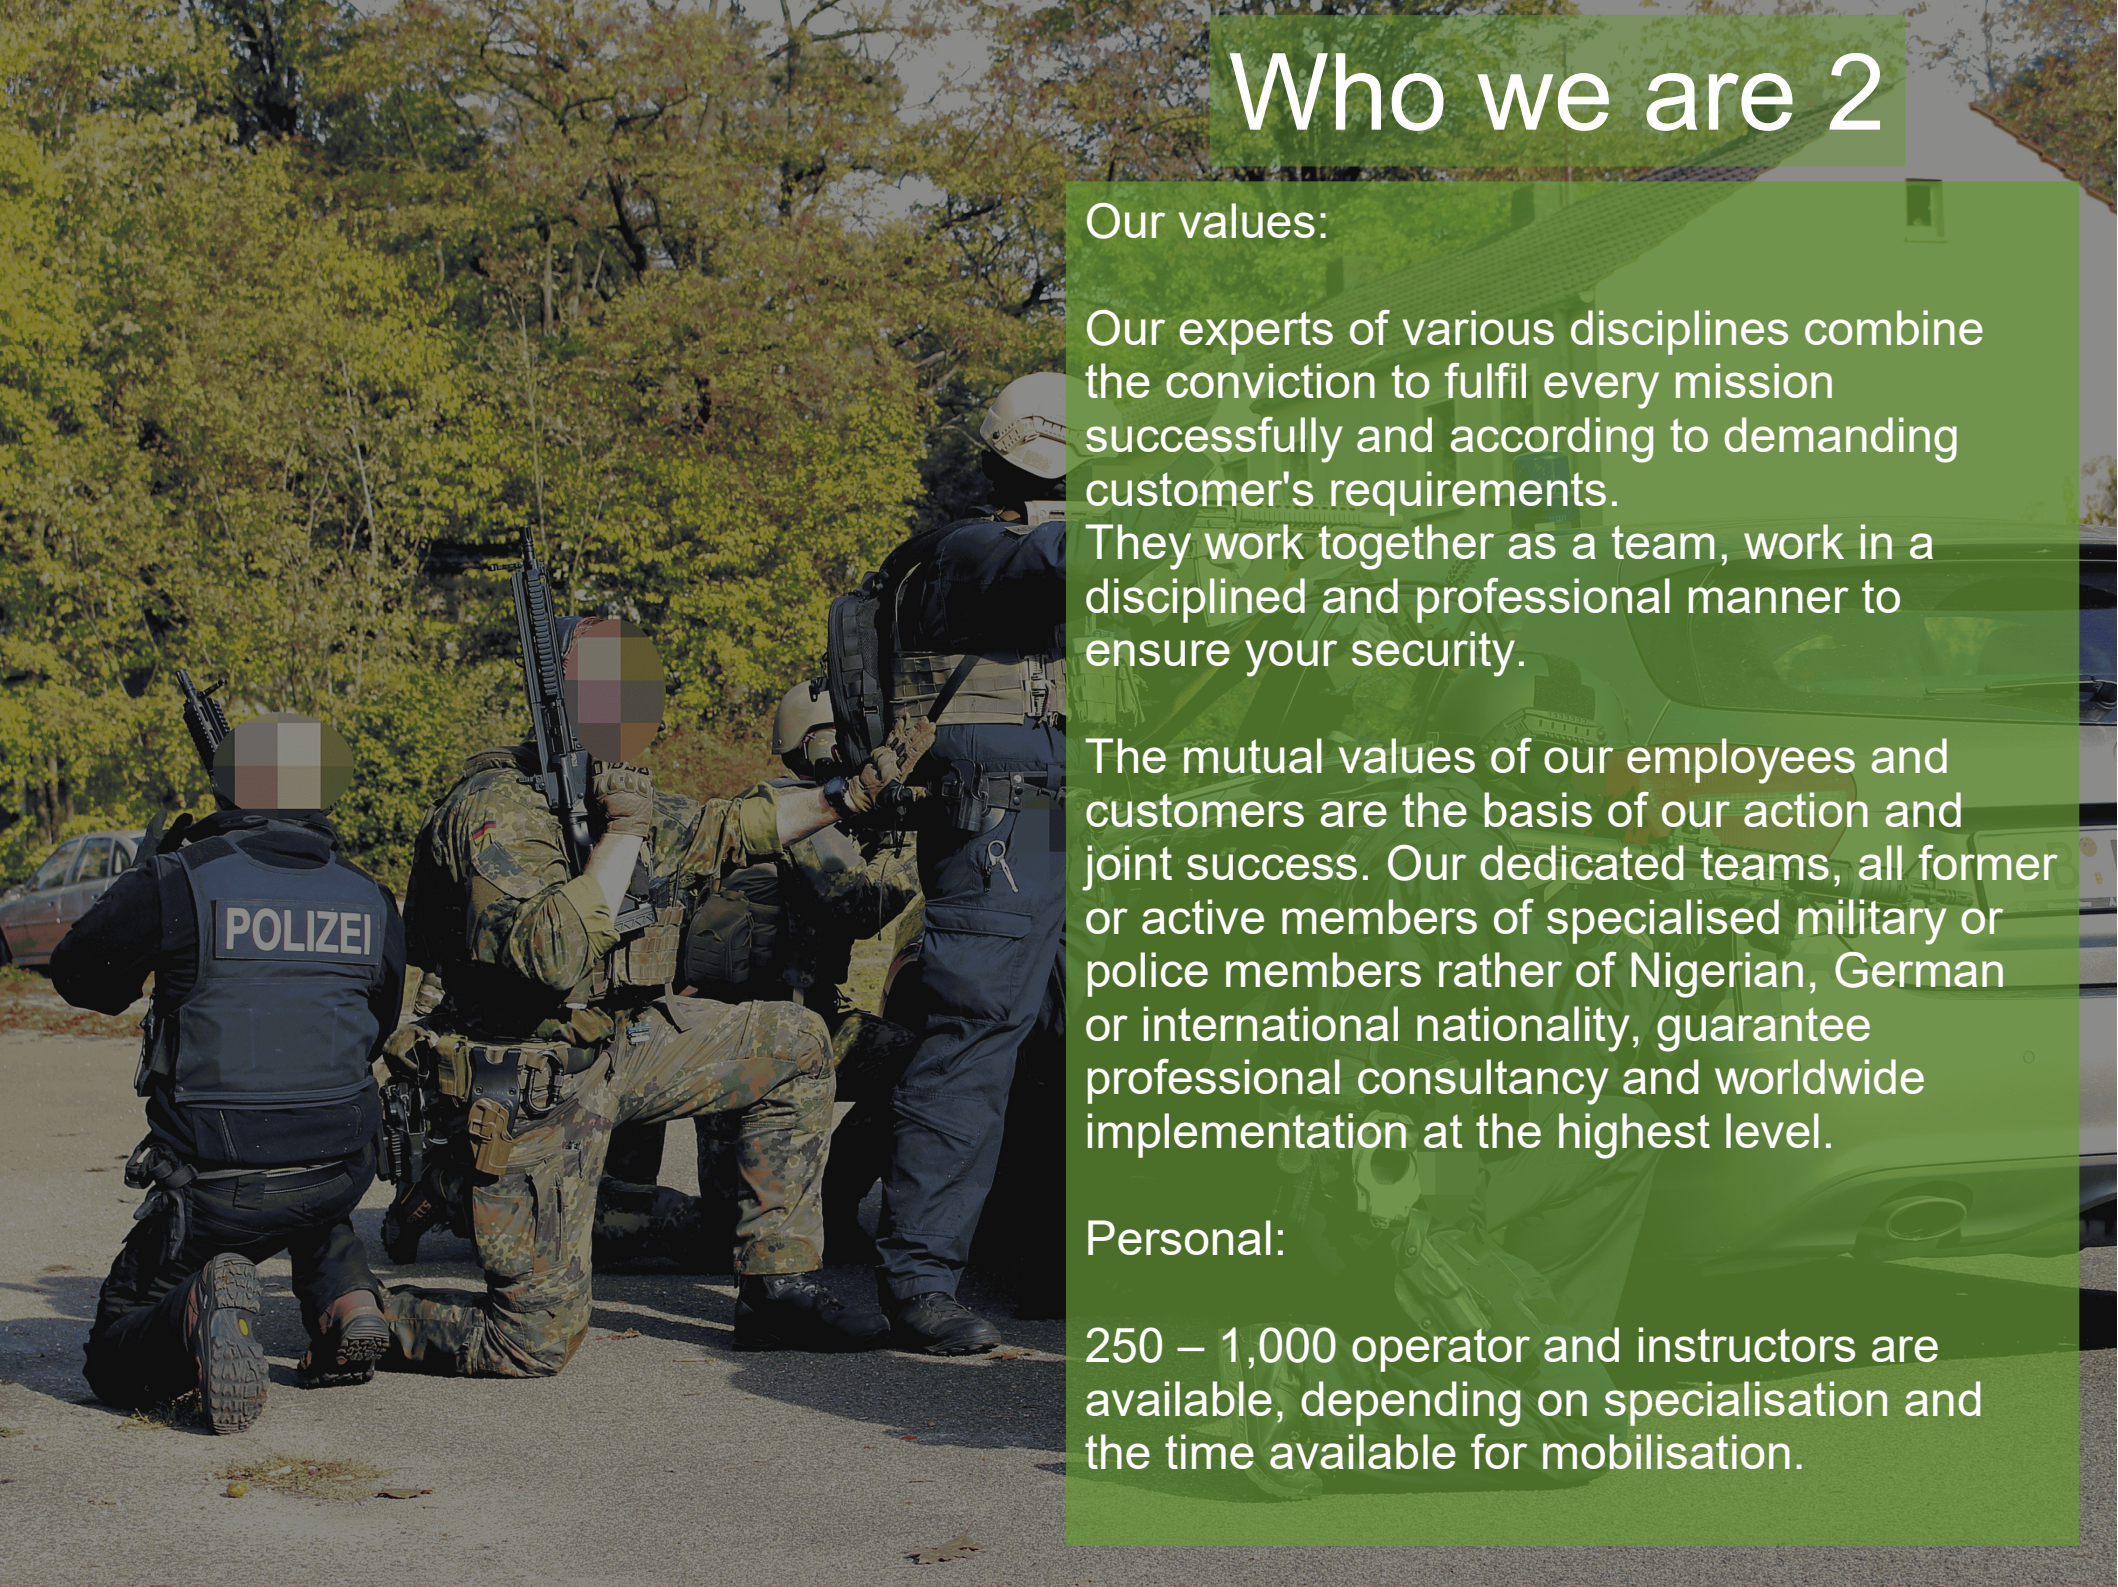

Our experts of various disciplines combine the conviction to fulfil every mission successfully and according to demanding customer's requirements.

They work together as a team, work in a disciplined and professional manner to ensure your security.

The mutual values of our employees and customers are the basis of our action and joint success. Our dedicated teams, all former or active members of specialised military or police members rather of Nigerian, German or international nationality, guarantee professional consultancy and worldwide implementation at the highest level.

Personal:

250 – 1,000 operator and instructors are available, depending on specialisation and the time available for mobilisation.

Business enabling and market access for success

We connect people and businesses.

Years of experience in European and African markets – with focus on Nigeria and Germany – enable us to enable you for your business expansion:

- Market access in Nigeria or EU / Germany
- Search for local business partner and specialised manufacturer from different industrial sector
- Integration in existing distribution network or establishment of specialised distribution network
- Establishment of corporate entity, branches and joint ventures in either market
- Including handling of formal requirements (foundation, bureaucratic paperwork with authorities, Visa)

A group of soldiers in camouflage uniforms and tactical gear are standing in a dirt clearing surrounded by dense green trees. One soldier in the foreground is talking on a radio. The scene is outdoors with a clear sky and power lines visible in the distance.
